Deputy Jeremy Jeske [JBESKE@spokanecounty.org](mailto:JBESKE@spokanecounty.org)

#### Why?

"If the data analysis reveals that criminal activity and traffic crashes occur at a specific place within a community, then it is at that place that law enforcement activities need to be focused. A non-biased, data-driven approach to crime and traffic safety delivers law enforcement services at the right place and at the right time."
